**AMENDED JOINT STATUS REPORT**

COME NOW the Parties for this Amended Joint Status Report, and state:

1. In their Joint Status Report dated January 25, 2017 (Doc. 41), the Parties informed this Court that they were in the process of:
  - a. Collecting identifying information for six outstanding claimants;
  - b. Determining the validity of these six claims;
  - c. Certifying all additional Class Members to the Settlement Administrator; and
  - d. Verifying the final per diem payment amount as calculated by the Settlement Administrator.
2. The Parties have, indeed, determined the validity of all claims—including the six outstanding—and certified the list of Class Members to the Settlement Administrator.
3. In reviewing the final list of Class Members, the Parties discovered some irregularities affecting the number of jail days associated with each Class Member. The Parties have identified the cause of the irregularities, corrected the error, and

provided final confirmation to the Settlement Administrator of both Class Members and corresponding jail days.

4. The Settlement Administrator expects to have completed all necessary calculations by Tuesday, February 7, 2017.
5. The Parties now expect that the full process will be completed, payments initiated, and Stipulation for Dismissal filed by Friday, February 10, 2017.

Dated: February 6, 2017

Respectfully Submitted,
